MILES CITY. This important centre of the stock raising industry is situated on the east bank of the Tongue river and on the N. P. R. R., 770 miles from St. Paul and 385 east of Helena, the capital of the Territory. It is the county seat of Custer county, and contains every evidence of progress, having many fine brick stores, a court house erected at a cost of $40,000, good school buildings, efficient police and fire departments, three good newspapers, the *Yellowstone Journal*, issued daily; *Yellowstone Journal and Live Stock Reporter* and *Stockgrowers' Journal*, both weekly; five churches: Catholic, Methodist, Presbyterian, Baptist and Episcopalian, two banks with ample capital. It is lighted by electricity and has a good water supply, both from the Tongue river and numerous artesian wells. To further supply the city with water and to irrigate land for agricultural purposes, a ditch 26 miles long is being constructed from Tongue river, by the Miles City Irrigating and Ditch Co. This work it is expected will be completed for irrigating purposes in the summer of 1888. The surrounding country for a radius of about 200 miles is devoted almost entirely to stock raising, and is tributary to this city for supplies of all kinds. Fort Keogh, 2½ miles west, also contributes quite largely to the prosperity of the city. The hotel accommodations are most excellent, the Macqueen Hotel, which is run by Maj. W. N. Macqueen, having all the appointments of a first class house, and is lighted by electricity. Stages to Spearfish, Dak., tri-weekly, and semi-weekly to Birney, and to Sadie weekly. Population, 1,800. Mail, daily. John McCausland, postmaster.

MISSOULA. A prosperous and rapidly improving city in Missoula county, of which it is the judicial seat, on the N. P. R. R., 125 miles west of Helena. It is situated on the Missoula river, at the point where that stream breaks through the Missoula or Hell Gate canyon, and flows on through a wide and fertile valley. Backed by high rolling hills, the effect is picturesque and magnificent in the extreme. The altitude is 3,318 feet, and the climate is much more mild than on the eastern slope. It is the receiving and distributing point for a large section of surrounding country, and contains 5 churches, a graded public school erected in 1884 at a cost of $16,000, an Academy of the Sacred Heart conducted by the Sisters of Charity, good hotels, a bank, a lumber yard, a brewery, a flouring mill, a theatre, 2 hospitals, under the management of the Sisters of Charity and the N. P. R. R., a new city hall and numerous well stocked special and general stores, etc. Two live and progressive weekly newspapers, the *Times* and the *Missoulian*, are published, and are deservedly popular among their numerous patrons. The city has an efficient and well equipped fire department and an excellent system of water works. Assessed valuation of real and personal property, $900,000; bonded debt, $6,000. Grazing land in the vicinity ranges in price from $5 to $10 per acre, and improved land from $20 to $50. Tri-weekly stages to Skalkaho, 52 miles south, and intermediate points. Telephone communication with Ft. Missoula, 12 miles distant. Exp., N. P. Tel., W. U. Population, 2,400. Mail, daily. Joseph S. Booth, postmaster.

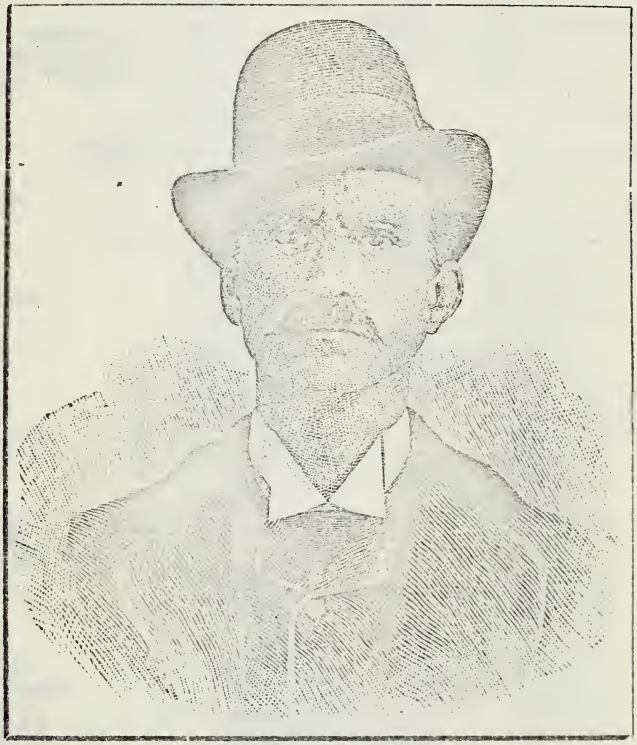
HEADQUARTERS OF THE

American Detective Police Bureau

Nos. 51, 53 and 55 Dearborn Street, CHICAGO, ILL.

ESTABLISHED 1880, BY **C. J. VON ARNOLD,** GEN. SUPERINTENDENT.



C. J. VON ARNOLD, Gen. Supt. R. D. DAVIDSON, Capt. Detective Police Patrol.

This Bureau will make a Specialty of the following Crimes:

Robbery, forgery, arson, murder, and accessories thereto, will be traced by the most able and skillful operatives of this bureau. It will also undertake the task of ascertaining the character and habits of trusted employes who are subject to special temptations. It will secure the apprehension of absconders, obtain intricate evidence against criminals, ascertain the credibility of witnesses and jurors, and serve legal papers. It offers special facilities for Bankers, Express, Insurance and Railroad Companies, and General Mercantile Houses.

DR. OWEN'S ELECTRO-GALVANIC BELT

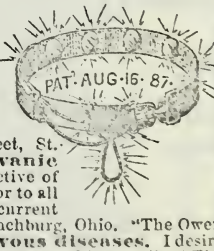
A GRAND TRIUMPH AS A THERAPEUTIC AGENT.

It will Cure without Medicine the following Diseases, viz.:

Rheumatism, Sciatica, Nervous Debility, Neuralgia, Lumbago, Female Weakness, Pains in Back, General Debility, Paralysis, Epilepsy, Kidney Complaints, Spinal Diseases, St. Vitus Dance, Diabetes, Bright's Disease, Torpid Liver, Leucorrhœa, Headache, Piles, Seminal Weakness, Asthma, Heart Disease, Constipation, Impotency, Varicocele, Blood Poison, Sexual Exhaustion.

(TRADE MARK.)
Dr. Owen, Inventor.

We **challenge** the **world** to produce a belt which will **compare** with our appliances. Our current is under **perfect control.** We can make it strong enough for **mature manhood,** or **mild enough** for an **infant** in an **instant.** DR. OWEN, 69 E. RANDOLPH ST.



TESTIMONIALS. Geo. C. Pitzer, M. D., 1110 Chambers Street, St. Louis, says: "**The Owen Electro-Galvanic** appliances are the most practical and effective of all Galvanic Belts." "They are much superior to all other Belts, generating promptly an active current of Galvanism".—J. B. Kleckner, M. D., Lynchburg, Ohio. "The Owen Belt acts at once upon **chronic** and **nervous diseases.** I desire to recommend them to the afflicted."—Dr. McLean, Chicago, Ill. "The best and most perfect."—Wm. M. Robb, M. D., 1502 Olive St., St. Louis, Mo. "**Cured** me of **chronic rheumatism.** Would not take $1,000 for it if I could not get another."—Michael Ryan, 2125 Randolph Street, St. Louis, Mo. "**Saved my life** when I had Muscular Rheumatism."—Mrs. Carroll, 1015 Market St., St. Louis, Mo. "Dr. Owen's Belt will take every rheumatic pain out of you."—W. W. Dexter, 358 State St., Chicago. "Your No. 1 Belt shows a resistance over 900 miles of Telephone wire."—Wm. Scott, Electrician, with Electric Supply Co., 114 E. Randolph Street, Chicago.

Our Belts compare with others as the TELEPHONE with a MESSENGER BOY; an ELECTRIC LIGHT with a TALLOW DIP; or a LIGHTNING EXPRESS TRAIN with the old STAGE COACH.

No other appliances can be made to conform in strength to the desire of the patient except by weakening the exciting fluid. Ours is controlled by connecting any number of cells requisite to meet the exigency of the disease, or the temperament of the patient, by the use of a clamp spring. We can reverse the current in our appliances.

We refer to the Express Companies and Wholesale Drug and Surgical Instrument Dealers of Chicago and St. Louis, also The National Safety Deposit Company, 160 and 162 Dearborn St., and American Exchange National Bank, Chicago. Send stamp for illustrated pamphlet, containing testimonials of leading physicians and business men and copy of patent.

Rheumatic and Neuralgic Paste.

MANUFACTURED BY

W. R. SMART & SONS,

Dodgeville, Iowa County, Wis.

Price, 50 Cents. By Mail 60 Cents.

This Paste is made from the Oil of Angle Worm, Cayenne Pepper, Frogs and Gum Camphor, and will take pain away like a charm. It will cure Tooth-ache, Nervous Headache, Neuralgia, Pains in the Back, Chilblains, etc., by rubbing it in. Can not be equaled for Catarrh.

Sent by Mail for $4.00 per dozen.

The above Rheumatic Paste we will send by mail to any address at 60 cents per box, or $4.00 per single dozen. Agents' Circulars sent free. Money in all cases to be sent with the order. Those wishing orders sent C. O. D. must pay express charges one way. No Medicine sent on credit or commission. No reduction from price list. All orders promptly sent. PLEASE WRITE YOUR NAME PLAINLY, city or town, county and state, together with your nearest express office. All money can be sent by post office order, registered letter, or express. Should any desire references, we can furnish enough to keep them reading for months, whom with the Paste we CURED OF DISEASES OF YEARS' STANDING, years ago, who directed us to use their names. Since which time they always keep it in their families, and recommend it to all they know who suffer with **Any Pain Caused by Colds.** Dr. Abernethy used to say that 90 cases of death out of 100 first began with a cold. Cold stiffens the muscles. Heat lubricates them. **Our Paste Warms, Stimulates and Lubricates,** and draws out all pains in a short time that are located in the muscles and nerves.

We have extended our establishment and can now fill orders to any amount For forty years we have kept our Paste out of the drug stores. Mark! None is Genuine unless the Portraits of Dr. Smart and Son Appear Upon the Label. Counterfeiters have tried their best to make it, but as it goes through fire they can't succeed. At any rate one box will prove its Wonderful Qualities in Curing all Pains that come from colds. Only 60 cents per box. Try it. Should this advertisement be seen by any who suffer with any of those pains at any time, cut it out, keep it and prize it. It may save you hundreds of dollars and years of pain. One thing is certain, it can't hurt, if you keep it out of the eyes, and then only for a short time. It will relieve the Headache, caused by a cold, better than all catarrh nostrums put together, by putting a very little on the fingers, closing the mouth and inhaling the gases into the head and lungs. Address DR. W. R. SMART & SONS,

Dodgeville, Wis.

Sold by all Druggists, and if your Druggist is out, send to the firm.

THE HORSE-SHOE RAT TRAP

THE BEST IN THE WORLD!

Its main Point of Excellence lies in its **SELF-SETTING ACTION**, and in the decreased power of the Jaw at the place of setting, which becomes augmentative and powerful at the Closing Point, the Spring having a forcing power of seventy-five pounds. When the Jaw is raised to remove a dead rat the action re-sets the Trap. The coiled Brass Spring and Bait Hook are Strong and Durable, and the Trap will catch the largest rat. The rat cannot touch the bait without being caught and instantly killed.
